### 2008 Senators Baseball - Collegiate Update

The 44 wins collected by the Senators in 2007 is more than the total wins the team collected in its 2005 and 2006 seasons. In fact, PG Crosschecker announced on July 17, when the Senators were 27-4, the club had the best record in summer baseball. PG Crosschecker ranked the Senators sixth in the nation on July 30. The No. 6 in the nation ranking is the highest in team history. Vienna ended the 2007 season leading the Clark Griffith League in Hitting (Batting Avg.), Pitching (ERA) and Fielding Percentage. The Senators led the league in pitching and hitting in 2005 and 2006. The Senators batters had a team average of .313 and slugged 40 home runs and notched 452 hits. The Senators pitchers had a 2.22 ERA with six shutouts and 377 total strikeouts. Pitchers also only allowed 277 hits and 104 walks. The Senators went 3-2 in the NBC World Series and they defeated the Alaskan League All-Star Team 2-0. Anthony Scelfo (06'07), Nate Newman(06,07), Nick Wheeler (07,08) and J.D. Alfaro (07,08) are 2 year Senator Players. Follow the Senators as we take on the CGL in 2008 and we continue our quest for an NBC World Series tile.
